Unapologetic.
IT'S HARD TO DO ANYTHING WITH YOU
You're too smooth-talking
I have lots of connections
YOU'RE SO COLD, ONIISAN! THAT'S WHY IT TOOK YOU SO LONG TO GET PROMOTED DESPITE BEING THE TOP STUDENT OF THE IMPERIAL ARMY SCHOOL!!

"... The Republic of Seldia wants to take in the forbidden children?"

Rose is raised through some ministers daughter

"Every country in the world has been longing for their and the Blue Doctor's high level of medicinal skills."
"From the ancient times until this day,"
"But, because Blue People are so few,
"it is extremely hard to send them to other countries."
"we have been assigned to rescue the children from the Garicalege, no matter how few."
"That's right. This has not yet been made formal but..."
'Of course, we will also request for assistance from the northern coptal."
"We will provide as much troops as necessary."
"But first we do need to confirm the existence of the Forbidden Children."
' Pardon me, Cavalry Commander Burton- '
"The Empire still remains adomant about this '

"This is the reason why we cannot totally supress this organization,"
"and have turned a blind eye on the Forbidden Children."
"The Gawicalge is taking advantage of this fact and
"Both the customs and the country"
they have continued smuggling Blue Ramun
"We just can't keep letting them do as they please forever."

Please send us some specialty cake from the capital!!!
One of the three Northern countries. The land of snow and dragons. The Republic of Seldia
has a very deep friendship with the 6 countries of the South, especially the Silkdeep Empire.
200 years ago— the existence of the Blue People were in peril when even in the country they resided in...
Even the Blue People living within the empire started dwindling in numbers...
So they we tried to reach a resolution with them.

I SEE.
SO WE HAVE REQUESTED FOR THE COOPERATION OF YOUR MEN
WE HEAR THAT THE GARICALEGE IS HIDING IN LEZAK DISTRICT.
